ORANGE COUNTY CLERK-RECORDER RESUMES MARRIAGE SERVICES AT HONDA CENTER IN ANAHEIM

On Friday, April 17, 2020, the Orange County Clerk-Recorder Department began offering marriage licenses and civil marriage ceremonies to couples whose marriage appointments were postponed due to the COVID-19 lockdown. And on Monday, April, 20, 2020, the department opened up the Marriage Service Hotline (714) 834-2740 to the general public. Couples can now call the hotline to make an appointment to obtain marriage services at Honda Center in Anaheim at 2695 E. Katella Ave, corner of Katella and S. Douglass Road. Service is by appointment only from 8 a.m. to 4:30 p.m., Monday through Friday. The department has been offering 120 appointments per day. To ensure the safety of staff and customers, strict social distancing guidelines as well as other limitations have been put in place.

So far the resumption of marriages services has been a smashing success, warranting visits from all types of foreign and domestic media coverage. During the month of April, the department issued 745 marriage licenses and performed 399 marriage ceremonies. That is a lot of love!!

"I am excited to be able to offer marriage services again during these challenging times," said Clerk-Recorder Hugh Nguyen. "We looked into ways of providing these services in the safest way possible due to the demand and feel that this is a great solution. I would like to thank Honda Center, the Orange County Fairgrounds, the Mayor of Anaheim, the Orange County Sheriff's Department, OC Public Works, OC Community Resources and especially my staff for helping us make this possible."

The Clerk-Recorder's offices were closed to the public initially on March 17, 2020, due to orders from state and local health officials to help slow the spread of the coronavirus.

For those interested in obtaining a marriage license or a marriage ceremony, please visit us at OCRecorder.com or call us at (714) 834-2500, Monday through Friday, from 8 a.m. to 4:30 p.m.

WHILE YOU ARE SAFE AT HOME

While you are safe at home during this unprecedented pandemic, the Orange County Clerk-Recorder Department made history by becoming one of the first County Clerk-Recorder offices in the country to resume marriage services to the public. Clerk-Recorder Hugh Nguyen partnered with Honda Center, the O.C. Fairgrounds, the city of Anaheim and OC Public Works to make this possible. The response from the public has been phenomenal and non-stop! We would like to share some of that success with the images below.

Lots of love at Honda Center

AWARDS AND RECOGNITIONS

Orange County Clerk-Recorder *Employee of the Month*

Congratulations!

Susan Evans

Dedicated to Providing Excellent Customer Service

Each month we recognize an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate of recognition, has their name placed on a recognition plaque and may dress casual during their month of recognition.

It gives me great pleasure to announce Susan Evans as Employee of the Month for April.

Since joining the department, Susan has quickly adapted to her role as chief deputy recorder. She had to hit the ground running in her new role, as she played an important role in our transition from our Fullerton office to our current Anaheim location. She then had to dive into moving from Building 12 to our new location at the County Administration South building.

Most recently, Susan spearheaded our efforts to revamp the MOUs for our SECURE electronic recording system. This took a lot of collaboration between Susan, our owner counties, agent users and authorized submitters. She then had to work with several counties counsel to ensure that the MOUs were acceptable to all parties involved. Finally, Susan had to write an intricate agenda staff report to the Board of Supervisors for approval. While this may be a daunting task for many, Susan took it head on and in the end obtained the desired results with approval of the staff report.

Susan has proven to be resourceful, reliable and an effective manager. She is always willing to learn and to take on new challenges. This makes her a valuable member of our executive management team. Her kind demeanor and great ability to listen makes her easy to work with. In the short time Susan has been with the department, she has been able to establish herself in her role and has transformed the Document Recording Unit into an efficient unit. We are happy to have her as part of our team.

Please join me in congratulating Susan on her achievement!
