BUD HURLBUT

Master of Amusement

Wendell "Bud" Hurlbut (1918-2011) of Buena Park, was an entrepreneur, designer, and unsung giant of the amusement park industry. He introduced ideas that became industry standards, he restored vintage attractions, he created Riverside's Castle Park, and he crafted beautiful miniature trains. Only Hurlbut's modesty prevented him from being as famous as Disney's Imagineers. Locally, he is best remembered for the many rides he designed, built and operated for Knott's Berry Farm, including the Calico Mine Ride and the Timber Mountain Log Ride. Such attractions were foundational to the engineering, business operation, and artistic design of the modern theme park.

ORANGE COUNTY ARCHIVES ANNOUNCES NEW EXHIBIT AT OLD COUNTY COURTHOUSE

The Orange County Archives' exhibit, "Bud Hurlbut: Master of Amusement" continues to be open in the first floor lobby of the Old Orange County Courthouse and inside the Archive's office in room 108. It will be on display until the end of the year. Photos, drawings, models and artifacts help tell the story of Hurlbut's colorful career and mark what would have been his centennial year. The Hurlbut Collection is just one of countless collections held by the Archives detailing the history of Orange County. This particular collection includes Hurlbut's diaries, home movies, photos, business records, and much more. The exhibit will be open to the public from 8:00 a.m. to 4:30 p.m., Monday through Friday (except on holidays) at the Old Courthouse at 211 W. Santa Ana Blvd, in Santa Ana, California.

AWARDS AND RECOGNITIONS

EMPLOYEE

Roberta Estrada

Each month we are recognizing an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate, has their name placed on a recognition plaque, uses the special designated parking space and may dress casual during their month of recognition.

I'm happy to announce Roberta Estrada as Employee of the Month for November.

Roberta is knowledgeable and professional with over-the counter customers as well as her co-worker. She completes her day to day duties without issues. She is also punctual and regularly arrives at her desk ready to work 10-15 min before her work schedule. Roberta works well with other and is always willing to assist on new projects or assignments.

Roberta has taken ownership of the map project and her vision is to see it completed before the move to our new building next year. Her responsibilities are to ensure the quality of the maps is kept intact and that the books are prepared for preservation. She is currently working with staff on the organization on the map books, while at the same time training staff on how to complete the map books. Training is one of Roberta's strength as she is meticulous and patient.

Please join me in congratulating Roberta on her achievement!
