NOTICE

RE: First Page Recording Fee Increase – January 1, 2020

To Our Valued Orange County Recording Customers:

Please be advised that effective January 1, 2020, the Orange County Clerk-Recorder will be increasing its standard first page recording fee by one dollar (\$1), pursuant to Government Code 27361.4 (c) which states:

“The board of supervisors of any county may provide for an additional fee, other than the fees authorized in (Government Code 27361.4) subdivisions (a) and (b), of one dollar (\$1) for filing every instrument, paper, or notice for record provided that the resolution providing for the additional fee requires that the instrument, paper, or notice be indexed within two business days after the date of recordation.”

The Orange County Board of Supervisors adopted Resolution No. 95-140, which approved the \$1.00 increase in recordable document fees allowable under Government Code 27361.4 (c). In addition, the requirement of indexing all recorded documents within two business days of recordation is being met by our office. For this reason, the Orange County Clerk-Recorder will increase its standard first page recording fee to \$7 on January 1, 2020.

The Orange County Clerk-Recorder prides itself in maintaining the lowest recording fee in the State of California, keeping its costs as low as possible while maintaining the highest level of service. Be assured that this same dedication will continue.

Thank you.

COMMUNITY OUTREACH

During the month of November:

I had the opportunity to participate in this year's Veterans Day celebration at the Orange County Fairgrounds where I was able to honor and thank many veterans for their service to our Nations. It was a great event with a fantastic turnout.

I am proud that my department was nominated by the Orange County Business Council for the "Incorporating Innovative Technology" category at this year's 9th Annual Turning Red Tape Into Carpet Awards.

I would like to congratulate all the nominees and award recipients. We look forward to serving our community for many years to come and continue to present better ideas and technology to increase access to our services, efficiency and the accuracy of public records.

I had staff join America's SBDC to celebrate the 40+ graduates who completed the OC Made program. I would like to wish every graduate great success in creating a successful Market Place business that will last for many years to come.

AWARDS AND RECOGNITIONS

EMPLOYEE OF THE MONTH

TANYA FLORES

Each month we recognize an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate of recognition, has their name placed on a recognition plaque and may dress casual during their month of recognition.

It gives me great pleasure to announce Tanya Flores as Employee of the Month for November.

Tanya is best described by her supervisors and coworkers as a good team player. Her willingness to volunteer for many of the special Saturday openings is immensely helpful and shows her dedication to the department and fellow co-workers. Tanya started in room 106 and then swiftly transitioned to the central Marriage Unit. Her ability to quickly adapt and overcome change makes her a valuable asset to the department. She rapidly mastered the passport application process once again showing her versatility and value to the team.

Tanya's stellar attendance and punctuality serves as a great example to the department. She is a reliable staff member who understands the commitment necessary to work in a department dedicated to customer service. Her superiors know that they can count on her to be where she is needed when needed and with little supervision. The department appreciates her work ethic and we would like for her to know that her dedication and hard work does not go unnoticed.

Please join me in congratulating Tanya on her achievement!
