On September 23, I had the pleasure of stopping by to congratulate Santos Flowers on their 21 year anniversary.

We were thrilled to celebrate their incredible journey and impact over the years. Their generosity in supporting local schools, non-profits, and religious institutions shows their deep commitment to the community.

Thank you for being a leader in Santa Ana's floral industry and for always striving for excellence. Here's to many more years of success, creativity, and service!

On September 25, my team attended Orange County's premiere procurement conference, OC ProCon, in Garden Grove. The event was a great opportunity for business owners to learn about the procurement process and meet buyers from the county, state, federal and private sectors.

My team was excited to provide information about our department's services and enjoyed connecting with attendees.

AWARDS AND RECOGNITIONS

Each month we recognize an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate of recognition, has their name placed on a recognition plaque, and may dress casual during their month of recognition.

It gives me great pleasure to announce Cesar Munoz as Employee of the Month for September.

Cesar is part of our Clerk Unit and consistently demonstrates outstanding work and a strong commitment to the goals of our department. He serves every customer with professionalism, respect, and a friendly smile. Customers frequently express their gratitude and praise him for his assistance. Cesar's fantastic work exemplifies the high quality of customer service our department strives to maintain.

Cesar is proactive in taking on new learning opportunities and is a great team player. He readily accepts assignments with a positive attitude and embraces growth by seeking feedback from his supervisors. Cesar has worked during each of our department's Special Saturday Openings this year and never hesitates to assist with our branch office coverage when asked. His excellent attendance and punctuality are an example for all to follow. Cesar's positive contributions to the team are highly appreciated by his supervisors and colleagues.

It is a pleasure to work with Cesar, and we are proud to have him on our team.

Please join me in congratulating Cesar on this achievement!

OUT AND ABOUT

One of my staff took this photo of the Supermoon and partial Lunar eclipse that occurred on September 18, 2024. This moon is also known as the Harvest Moon and occurs closest to the September equinox each year. During this type of eclipse, a part of the Moon will darken as it moves through the Earth's shadow.
