# COMMUNITY OUTREACH

## During the month of February:

I joined in several of the community's Lunar New Year celebrations. I spoke at the Asian Garden Mall during their Lunar New Year ceremony. It is always a pleasure to participate in these community events.

I joined Westcliff University in celebrating the grand opening of their new campus in Irvine and their 25 year anniversary. Westcliff University's mission over the last 25 years has been to educate, inspire and empower students. We hope their mission continues for many years to come.

My team went out to Tustin to celebrate the ribbon cutting of Juice It Up! We wish them the best of luck as they serve the residents of Orange County.

## During the month of February:

Congratulations to Thao Nguyen on being selected as one of Huntington Beach Union High School District's Teachers of the Year. My team helped honor Thao Nguyen's accomplishment by making a surprise visit to her classroom and presenting her with a certificate. Thank you to Ms. Nguyen and all the hardworking educators in Orange County.

My team went out to support Brewster's Ice as they celebrated their ribbon cutting. Brewster's Ice has been a staple in Huntington Beach for decades. Now under new ownership, we hope the new owners continue the Brewster's legacy and we wish them all the best.

Braille Institute held a ribbon cutting ceremony for their location in Anaheim. My staff joined in celebrating the occasion by presenting the institute with a certificate. # AWARDS AND RECOGNITIONS

EMPLOYEE  
OF THE  
MONTH

## Eva Zarate

Each month we are recognizing an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate of recognition, has their name placed on a recognition plaque, uses the special designated parking space and may dress casual during their month of recognition.

I'm happy to announce Eva Zarate as Employee of the Month for February.

Eva is a great example to her peers. As a long time employee of the Clerk-Recorder, she regularly demonstrates her loyalty and love for her job. She arrives every day with a smile on her and a positive attitude. She works well with her peers and is always willing to assist on answering questions regarding examining and recording. She is a team player! Eva is patient with her customers and she always goes the extra mile to ensure they understand the recording process. Eva easily and quickly built a professional relationship with the title companies, agents, and attorney service runners, by taking the time to explain recording requirements and offering a welcoming smile.

Eva has worked with our Systems team to scan and replace old images for official records. On several occasion the Systems team has mentioned how impressed they are with her time management skills, work ethic and reliability. Overall Eva demonstrates her love for her job!

Please join me in congratulating Eva on her achievement!
